

ASPENPOINTE

SINCE 1875...

## Assessments

The National Institute on Mental Health states that one in 10 children suffer from a mental illness severe enough to effect development. Detection and intervention at an early stage is necessary to ensure our kids are growing up to be healthy, contributing members of society.

The National Institute on Mental Health states that one in 10 children suffer from a mental illness severe enough to effect development. Detection and intervention at an early stage is necessary to ensure our kids are growing up to be healthy, contributing members of society.

Since 1875, ASPENPOINTE has empowered clients, enriched lives and embraced purpose through individual and family services in mental health, substance abuse, employment & career development, education, housing, jail diversion & reintegration, telephonic wellness, and provider network services.
