Colorado Clinical Guidelines Collaborative

The Colorado Clinical Guidelines Collaborative is a coalition of health plans, physicians, hospitals, employers, government agencies, quality improvement organizations, and other entities working together to implement systems and processes, using evidence-based clinical guidelines, to improve healthcare in Colorado. **MacArthur Initiative on Depression and Primary Care**

The MacArthur Initiative on Depression and Primary Care bases its work on the premise that primary care clinicians must be well qualified and confident in their ability to care for depressed patients. The Initiative's mission is to improve care and outcomes nation wide for patients with depressive disorders treated in primary care practices.

Since 1875, ASPENPOINTE has empowered clients, enriched lives and embraced purpose through individual and family services in mental health, substance abuse, employment & career development, education, housing, jail diversion & reintegration, telephonic wellness, and provider network services.
