AspenPointe Health Services assists with the mental health care and substance abuse needs of children, youth, adults and families.

### *Se habla español*

According to the National Mental Illness Association, one in four adults suffers from a mental illness such as bipolar disorder, schizophrenia, major anxiety or panic disorder, and post-traumatic stress disorder.

Since 1875, ASPENPOINTE has empowered clients, enriched lives and embraced purpose through individual and family services in mental health, substance abuse, employment & career development, education, housing, jail diversion & reintegration, telephonic wellness, and provider network services.
