

## Interviewing Skills

Prepares individuals for basic job interviews and industry specific interviews by discussing interview questions, dressing appropriately, making a good first impression and practicing mock interviews.

### Overview:

Often potential employees lack refined interviewing techniques to effectively secure employment.

Prepares individuals for basic job interviews and industry specific interviews by discussing interview questions, dressing appropriately, making a good first impression and putting individuals into mock interviews. If consent is given, individuals will be taped during the mock interview and given the opportunity to critique their interviewing skills.
