

Provider Network

Recruit, credential and contract with providers; monitor provider performance.

Overview:

Recruit, credential and contract with providers; monitor provider performance.

AspenPointe's providers are essential to what we do. We have formed a network of more than 100 quality providers, representing all aspects of behavioral health care and a variety of specialties. Working closely with each of our providers is what enables us to provide a level of personalization and quality for our partners and their clients that raises the bar on industry standards. Additionally, providers turn to AspenPointe as a resource for industry trends, training seminars and compliance information.

Our providers include and represent:

- All mental health disciplines (PhD, LCSW, LPC, LMFT, etc.)
- Certified addictions counselors
- Child placement agencies
- Community mental health centers
- Counseling centers
- Domestic violence centers
- Individual and group practices and clinics
- Inpatient and residential facilities
- Psychiatrists and non-MD medication prescribers
- Schools
- Substance abuse providers and facilities
